

2024 Sponsorship Guide

The Chamber of Business & Industry of Centre County is committed to elevating your brand in 2024. This guide offers a variety of opportunities to showcase your brand, build brand awareness, and strengthen your presence in Centre County.

When you support the Chamber, you not only support economic-development efforts that help our shared communities to thrive, but you're also seizing the opportunity to get your business in front of a large, diverse audience or the targeted crowd you're hoping to reach.

Thanks to your sponsorship, the Chamber can maintain sustainable and smart economic-development initiatives, advocate for a healthy business climate, provide business-focused resources, and much more.

This guide offers options for businesses large and small to gain more exposure and to further support the critical work being done on behalf of the business community of Centre County.

Need help finding the sponsorship opportunity that's a good fit for your organization? Contact Melissa Brown, Director of Public Relations at mbrown@cbicc.org, to discuss your options or to request a custom proposal. A custom proposal for any event can be crafted to best support business goals, such as building brand awareness and perception.

The Chamber of Business & Industry of Centre County (the Chamber) is a nonprofit organization. Your sponsorships fund our mission to promote the well-being and growth of commerce, and business and industry, while also working to improve the already high quality of life we enjoy in Centre County.
